Rancho Cañada del Oro Open Space Preserve

Welcome

The 3,882-acre **Rancho Cañada del Oro Open Space Preserve** opened to the public in 2004 with the dedication of the Bald Peaks Trail (1.0 mile) and the Longwall Canyon Trail (2.0 miles).

Multiple upgrades to the preserve include:

- 2005 – A paved parking area with space for horse trailers, a restroom and picnic tables
- 2007 – The Mayfair Ranch Trail (3.1 miles) and the Catamount Trail (1.7 miles), which connect to the higher-elevation trails and enable mountain bike use. Also, the paved, whole access Llagas Creek Loop Trail (0.5 mile) which offers a nature experience for visitors with limited mobility.
