Regularly scheduled buses operate at frequent intervals to most of the destinations throughout Bermuda which visitors may find of interest. Bus stops are identified by pink and blue poles. Poles that are pink indicate service inbound to the City of Hamilton. Poles that are blue indicate service outbound from the City of Hamilton. The table below lists many of the destinations that visitors ask us about most frequently. Alongside each destination is the number of the route(s) serving that destination and the appropriate fare zone. If possible avoid the rush hour. The best time to travel by bus is between 9:30 AM - 3:00 PM and after 6:00 PM.
